

Strategy Execution – Using StrategyWorks

StrategyWorks

StrategyWorks

- provides a single, live integrated view of your strategy execution status
- ensures direct linkage and alignment between Mission, Vision & Objectives and your underlying project portfolio programs and projects.
- integrates with existing PMO/Project platforms into a single view linked to outcomes and objectives.

This makes it the perfect strategy management solution for PMOs, leadership teams and regulators to understand at the click of button how the outcomes will be achieved.

StrategyWorks & NextWave

- NextWave the **primary consulting partner** for StrategyWorks and provides the execution and change management professional services for end clients
- NextWave is using StrategyWorks at a client to consolidate multiple 'strategy' tools (ppt and xls) into a single aligned solution
